

2009-2010
6th Grade Junior Beta Club
Boiling Springs Intermediate School

The National Junior Beta Club is an academic, service, and leadership club for students. The Junior Beta Club was established to reward merit, encourage effort, and promote high ideals among students.

The scholastic requirement for membership is a 90 yearly average or above in each academic subject area from the previous school year. These students should also be of worthy, moral and ethical character, and display a commendable attitude. Students should have no more than 1 office referral per 9 weeks and no OSS. A Junior Beta Club member must maintain a 90 or above average in each academic subject area to remain a member this year. Students who fall below a 90 in any subject area will be placed on academic probation for the following 9 week period to bring the academic average to a 90. If a 90 is not maintained after the academic probation period, the student is removed from the Junior Beta Status. However, a student has the opportunity at the end of the academic school year to meet the 90 average in each course and be reinstated the following school year. All of the requirements are for the Boiling Springs Intermediate School National Junior Beta Club can be found within our Constitution and By-Laws.

The 6th grade meeting dates will follow at the bottom of this letter. All meetings will be held in the BSIS Media Center unless otherwise stated at a later date.
